Tempo: 128 Beats Per Minute

OPENER:

Circle left. Tell me why do you love to make me cry? **Men star right** one time around the ring tonight. **Allemande left** and **weave the ring**. It seems you try to hurt me with everything you do. (**Swing** a little girl and **promenade**). I guess you could call me crazy, 'cause I'm still in love with you.

FIGURE (twice for heads, twice for sides):

Heads (sides) square thru four hands around the ring and go. Find that corner, do a **dosado**. Everybody **swing thru**, **boys run** right, **bend the line** and a **right and left thru**. **Flutterwheel** across, and when you're done **slide thru**. **Swing** a little lady and **promenade**. And why every time you hurt me, I'm always so surprised.

MIDDLE BREAK:

Sides face **grand square**. There was a time I thought my love would set you free. But now you say all that's binding you is me. (How can that be?) **Four ladies promenade** go walking, get back and **swing** with your date, keep a little girl and **promenade**. And why every time you hurt me, I'm always so surprised.

CLOSER:

Four boys promenade go, walkin' 'round the ring and go. **Swing** a little lady standing there. Join hands and **circle** to the left and a movin' round the ring. **Allemande left** everybody **weave**. Well, I dreamed someday you'd love me but that dream just don't come true. **Swing** a little girl and **promenade**. But that don't keep me from wishin, 'cause I'm still in love with you.

TAG:

But that don't keep me from wishin', 'cause I'm still in love with you.
