Opener:

Circle left. I took a plane around the world tryin' to lose her memory. **Men star** right one time around. **Left allemande** and **weave** the ring. You can't run from love. There's just no place in this world you can hide. You can't run from love. When it's lookin' for you all you can do (is give up).

Figures (Twice for heads, twice for sides):

Heads (sides) promenade halfway around. **Pass the ocean, extend. Fan the top, girls run** right and then **boys hinge.** Do a **flip the diamond, explode the wave** and do a **left allemande.** Come back **swing** and **promenade.** You can't run from love. When it's lookin' for you all you can do (is give up).

Middle Break:

Circle left. Sail across the seven seas. Climb upon a mountain high. **Men star** right one time around. **Left allemande** and **weave** the ring. You can't run from love. There's just no place in this world you can hide. You can't run from love. When it's lookin' for you all you can do (is give up).

Closer:

Circle left. You can travel in a time machine. Disappear without a trace. **Men star** right one time around. **Left allemande** and **weave** the ring. You can't run from love. There's just no place in this world you can hide. You can't run from love. When it's lookin' for you all you can do is give up.
